

PHYSICAL THERAPY

# Join ATSU in shaping the future of exceptional physical therapists

A.T. Still University's entry-level **Doctor of Physical Therapy (DPT)** program, located on our Mesa, Arizona campus provides an outstanding educational opportunity for pre-PT students. Our three-year, residential program combines rigorous academics with extensive clinical practice to prepare students for a rewarding career in physical therapy. Partnering with ATSU provides your pre-PT students with a pathway to become compassionate, skilled physical therapists, ready to make a meaningful impact in healthcare.

## WHY PARTNER WITH ATSU?

- **Small class sizes:** With 62 students per class, ATSU offers an intimate learning environment that fosters strong student support and faculty-student relationships.
- **Comprehensive curriculum:** A rigorous, evidence-based curriculum prepares students to become leaders in the PT field, combining academic learning with hands-on clinical practice.
- **Exceptional clinical experience:** Students begin gaining real-world experience through supervised internships in diverse settings starting in week 3 of the program.

## BENEFITS FOR YOUR PRE-PT STUDENTS

**Seamless transition:** ATSU reviews applications immediately upon receipt, offering dedicated support throughout the PTCAS process.

**Holistic care focus:** ATSU prepares students to approach patient care with a whole-person perspective, addressing both physical and emotional needs.

**Specialized residencies:** Opportunities for postprofessional training in neurologic and orthopedic physical therapy to help graduates advance their careers further.
