

CAMPUS SAFETY ESCORT PROCEDURE

Santa Maria California

ATSU Department of Campus Safety provides safety escort for students, faculty, and staff to and from their vehicles.

To request an escort –

Please call the Campus Safety cell phone by calling 805.245.6221. When possible, please call 10 minutes prior to departing your area. Inform the responding Safety Officer of the projected time frame that you will be leaving your area, and you will be met by a Safety Officer at the specified time and location that you have requested.

If a Campus Safety Officer is unavailable, please engage a co-worker or friend to accompany you to your vehicle. It is always best to plan ahead if the escort request is outside of the times of normal Campus Safety hours.
