

# Post-Professional Certificate in Education for PAs

If you want to educate the next generation of physician assistants (PAs), you will need knowledge and experience that empowers and informs you to lead. Answer your calling and get ready to teach and mentor PAs who will transform the future of healthcare with a **Physician Assistant Post-Professional Certificate in Education** from A.T. Still University (ATSU).

As the first in whole person healthcare, ATSU is uniquely positioned to provide you with the essential skills and expertise needed to teach future PAs how to improve the quality and efficiency of patient care. Through this series of three courses, you will establish yourself as a PA prepared to teach in academic as well as clinical environments.

## WHY GET AN EDUCATION CERTIFICATE FROM ATSU?

When you go with ATSU to progress your PA career, you're choosing a certificate program that...

- Was designed by and exclusively for practicing PAs
- Can be completed entirely online, on your schedule—so you can continue your PA practice
- Is taught by doctoral-educated PAs who are leaders in the field and are prepared to motivate and propel students toward exciting new opportunities
- Offers affordable tuition rates
- Allows you to become an agent of positive change and serve the underserved
- Has two start dates per year, and can be completed in just five or 10 months
- All certificate courses are transferable to the full Doctor of Medical Science degree should you choose to pursue one later (plus your application fee to the DMSc will be fully waived!)"

## CURRICULUM DETAILS

The education certificate consists of just three courses that can be completed in five or 10 months! The Adult Learning Theory course is a core requirement, and then you may choose two selections among the following four courses:

- Curriculum Design & Delivery
- Educational Technology & Simulation
- Assessment & Evaluation Methods
- PA Program Administration

## CONSIDERING A DOCTORATE?

If you're considering pursuing a Doctor of Medical Science (DMSc), a graduate certificate is the perfect place to start! This certificate provides practicing PAs with foundational leadership knowledge to advance their careers as well as advanced standing toward the doctoral degree.
